CHIEF SECRETARY 27 SEP 1950 SECT OF MYSORE

Subject: Continuance of the additional clerical staff sanctioned for work in connection with the verification of the dates of birth of Gazetted Officers.

---

With reference to Government Order No. 7486-7/C.B.180-50-1 dated 16/17th August 1950 sanctioning my proposals for the appointment of an additional clerk on Rs 40/- per mensem for a period of three months from 26-6-1950 and granting an allowance of Rs 20/- per mensem to Sri N. Rama Rao, Clerk of this office from 1-6-1950, for work in connection with the verification of the dates of birth of Gazetted Officers, I write to state that it was originally expected that this work would be completed within a period of about three months for which an additional clerk was entertained. But references are still being received every day from the various branches of the Secretariat asking for the dates of birth of the Gazetted Officers of the several Departments. Besides the work in connection with the 64 officers of this Department, references had been received by 15-9-1950 from Government in regard to as many as 379 officers of other Departments and final reports are due to Government in respect of 77 of these officers about which correspondence is going on between this office and the institutions and offices concerned. Since then, references have so far been received from Government calling for the dates of birth of 109 more officers of the various Departments and similar communications in respect of the

the others are being received every day. As the position stands at present, there are still more than 185 officers whose dates of birth as per the admission registers of the several schools in which they studied have yet to be obtained and furnished. In addition, references are being received from Government asking for further particulars or clarification in respect of officers about whom replies have been sent.

The work for which the additional clerk and the allowance were sanctioned by Government has not yet been completed and there are still a large number of the officers of other Departments about whom references are expected. Even with top priority being given to this work, it does not appear likely that the work, both at hand and in regard to the cases of officers being referred or expected, would be completed at least within the next three months. I therefore request that the additional clerk on Rs 40/- per mensem and the allowance of Rs 20/- per mensem to the clerk referred to, sanctioned in the Government Order dates 17/18th August 1950 mentioned above, may be kindly continued for a period of three months from 26-9-1950. If, however, the work could be completed earlier, the arrangement will be terminated before the expiry of the period of three months.

In anticipation of sanction of Government, I have continued the present arrangement and requested the Auditor to admit the claims. My action may be kindly approved.

Yours faithfully,

Director.
